¹ The Court ordered all clients in the Bard IVC Filter litigation to pay 8% of their gross award toward common fees incurred during the litigation. This amount is transferred from Archer Systems, LLC to a fund established by the Plaintiff Steering Committee for that purpose. It is not paid to the law firm representing you.

² The Court ordered all clients in the Bard IVC Filter litigation to pay 2% of their gross award toward the reimbursement of common costs and expenses incurred during the litigation. This amount is transferred from Archer Systems, LLC to a fund established by the Plaintiff Steering Committee for that purpose. It is not paid to the law firm representing you.

³ Archer Systems, LLC ("Archer") was the agreed upon administrator and lien resolution specialist in the Bard IVC Filter settlement. This amount also includes any bankruptcy or probate fees charged by Archer, if applicable.

⁴ Lynn Baker, Esq. of Austin Law and Economics Consultants, Inc. was engaged to provide the required legal ethics review of the proposed settlement terms and payout structure of the multi-plaintiff Bard IVC Filter settlement.
